

Old Hanukkah Time (Auld land syne)

Should all our troubles be forgot
And never brought to mind
Lets gather round the Chanukkiah
Because it' Hanukkah time

For all the candles lit, my dear
so brightly in a line
Just like the olden days of yore
Because it's Hanukkah time

For all the sufganyot we eat
and latkes all the time
We'll light the candles one by one
Because it's Hanukkah time

We'll toast the brave young Maccabees
And Matathias this time
And celebrate for eight days straight
Because it's Hanukkah time

For Hanukkah time my friends
For Hanukkah time
We'll dance and sing and let freedom ring
Hurrah! It's Hanukkah time!
